At least claims 15-18 and 20 have been withdrawn from further consideration as being drawn to a non-elected species. However, the latest set of claims in the 9/28/05 amendment lists each of the claims 15-18 and 20 as having an "original" status identifier rather than a "withdrawn" status identifier. The examiner apologizes for not bringing these incorrect status identifiers to the attention of the applicant at an earlier time. It is also noted that applicant should indicate if new claims 21 and 22 read on the elected species (Figs. 1-19) or the non-elected species (Figs. 20-21).
